This video tutorial study guide review is for students who are taking their first semester of college general chemistry, IB, or AP Chemistry. Even if you're studying for the general chemistry section of the MCAT, DAT, PCAT, OAT or SAT Subject chemistry test, this video can help give you a nice overview of all the topics you need to learn in General Chemistry 1. This introduction video contains plenty of examples and practice problems to help prepare you for the final exam. It has about 160 multiple choice questions in the form of a practice test. Feel free to use it as a study guide. The solutions to each problem is provided as well as the equations and formulas that you need to solve it.
